follow us:

Dr. Radha

Dear

Doctor, Radha P. MD. I am Radha Prem
Aged about 27y/M. I am for HT.
This is a suspected case of Alopecia
areata. I request you to get 2 biopsy
specimens 1. Frontal area (Receptor area
for Hair transplant).

2. Donor area for hair transplant.

- Please send the specimens for HPE.

- Please do the needful.

Thank you

Jey
