ULTRASOUND OF ABDOMEN AND PELVIS

FINDINGS -

LIVER:

Is normal in size (12.5cm), shape and uniform echo texture. No obvious focal lesion seen.
No intra - Hepatic biliary radical dilatation seen.

GALL BLADDER:

Is well distended and appears normal. Wall thickness appears normal. No calculi. No pericholecystic collection.
CBD and portal vein appears normal.

PANCREAS:

Visualized portion appears normal in size and it shows uniform echo texture. No peripancreatic fluid collections/pseudocyst. No calcification. No mass.

SPLEEN:

Is normal in size (11cm) and shows uniform echogenicity. No focal lesion seen.

RIGHT KIDNEY:

Right kidney measures 11x4.2 cm.
The shape, size and contour of the right kidney appear normal.
Cortico medullary differentiation is maintained. No evidence of pelvicalyceal dilatation.
No calculi seen. No hydronephrosis seen. No perinephric collection seen.

LEFT KIDNEY:

Left kidney measures 11.5x4.3 cm.
The shape, size and contour of the left kidney appear normal.
Cortico medullary differentiation is maintained. No evidence of pelvicalyceal dilatation.
No calculi seen. No hydronephrosis seen. No perinephric collection seen.
Cortical cyst of size 7x6.6 cm seen at the upper pole of left kidney.

Visualized ureters are not dilated.

URINARY BLADDER:

Is well distended and normal in contour. No intra luminal echoes are seen. No calculus or diverticulum is seen. Thickened and irregular urinary bladder wall is seen.
Urinary Bladder Pre void volume: 277cc.
Urinary Bladder Post void volume: 113 cc.(significant)

Dr. Vikrant Bhende
MBBS, MD (Radiology), DNB
EDiR (Europe), DICRI
FIDNR (KEM, Mumbai)
Consultant Radiologist
Regd. No. 2014/08/3779

PROSTATE:

Measures 4.6 cm x 3.9 cm x 5cm, Weight=47.9 gms and appears enlarged in size with median lobe of indenting bladder base by 1.1 cm.

No ascites is seen.

No significant lymphadenopathy seen.

Bowel loops grossly appear normal and show normal peristalsis.

IMPRESSION:

- Grade-III Prostatomegaly with significant post void residue urine.
- Thickened and irregular urinary bladder wall.

Dr. Vikrant Bhende
Consultant Radiologist
