DECLARATION

I, Dr. Kirti, declare that while performing sonography/ Image scanning
Saini, I have neither detected nor disclosed sex of the fetus to her or anybod
(It must be noted that detailed fetal anatomy may not always be visible due to technical difficulties related to fetal position, amniotic fluid movements, maternal abdominal wall thickness and tissue echogenicity. Therefore all fetal anomalies may not necessarily be detected. Patient has been counseled about the capabilities and limitations of this examination)
