

## SERUM PROTEIN ELECTROPHORESIS REPORT

PATIENT NAME Mrs. VIDYA POTE  
AGE/GENDER 60 YRS/Female REPORTED DATE 17/10/2023  
SAMPLE ID 24912005

| Index     | Band    | Rel. Area | Total Protein Conc. (g/dL) | Range (g/dL)  |
|-----------|---------|-----------|----------------------------|---------------|
| 1         | Albumin | 49.08%    | 3.09 L                     | 3.20 ... 5.00 |
| 2         | Alpha 1 | 13.81%    | 0.87 H                     | 0.10 ... 0.40 |
| 3         | Alpha 2 | 14.02%    | 0.88                       | 0.60 ... 1.00 |
| 4         | Beta    | 10.69%    | 0.67                       | 0.60 ... 1.30 |
| 5         | Gamma   | 12.40%    | 0.78                       | 0.70 ... 1.50 |
| Total     |         |           | 6.30                       |               |
| Ratio A/G |         | 0.96      |                            |               |

### COMMENTS:

Suggestive of Albumin decreased with raised Alpha globulins.  
Please correlate clinically
