

## SERUM PROTEIN ELECTROPHORESIS REPORT

PATIENT NAME Mrs. SUSHILA DEVI KEDIA  
AGE/GENDER 68 YRS/Female REPORTED DATE 08/01/2024  
SAMPLE ID 25033762

| Index     | Band    | Rel. Area | Total Protein Conc. (g/dL) | Range (g/dL)  |
|-----------|---------|-----------|----------------------------|---------------|
| 1         | Albumin | 42.04%    | 2.40 L                     | 3.20 ... 5.00 |
| 2         | Alpha 1 | 12.36%    | 0.70 H                     | 0.10 ... 0.40 |
| 3         | Alpha 2 | 16.84%    | 0.96                       | 0.60 ... 1.00 |
| 4         | Beta    | 11.62%    | 0.66                       | 0.60 ... 1.30 |
| 5         | Gamma   | 17.14%    | 0.98                       | 0.70 ... 1.50 |
| Total     |         |           | 5.70                       |               |
| Ratio A/G |         | 0.73      |                            |               |

### COMMENTS:

Suggestive of Albumin decreased with raised Alpha globulins.  
Please correlate clinically
