I, Mrs Jyoti Kumari declare that by undergoing Ultrasonography, I do not want to know the sex of my fetus.

Sign/Thumb Impression

I, Dr. DR. RAJIV RANJAN RAO, while conducting Ultrasonography, have neither detected nor disclosed the sex of the fetus of this patient to anybody in any manner.

Consultant Ultrasonologist

The 'Impression' is based upon Images, but the final diagnosis and medical action should be based also upon clinical examination and other investigation.
